October 14, 2014

ProList, Inc. is an Industry Innovator in data management and direct mail services solutions.

Special Actual News Edition

After more than 15 years in its current Gaithersburg location, ProList will be moving to a new, larger facility in Frederick, Maryland in December. Detailed planning is already under way on making the move seamless. Our current plan is to start operations in the new facility on December 8, 2014, although that may be subject to change as planning continues. We will be issuing regular updates on the process as the moving date approaches, including the new delivery address.

Founded in 1989, ProList has continued to see regular growth, even in the difficult times for the mailing industry. We expect to continue this growth with the luxury of a little more elbow room in our new location.

Stay tuned for details as moving day approaches!
